ARTICLE 34 – CONTRACTING OUT

34.01 The Council will continue past practice in giving all reasonable consideration to continued employment in the Council to employees whose services to the Council would otherwise become redundant because work is contracted out.

ARTICLE 35 – WORK FORCE ADJUSTMENT

35.01 The NRC Work force Adjustment Policy shall form part of this collective agreement and shall be reviewed and negotiated by the signatories to the Policy in accordance with the terms and conditions described in the Policy.

ARTICLE 36 – TECHNOLOGICAL CHANGE

- (b) a major change in the Council’s operation directly related to the instruction of that equipment or material which will result in significant changes in the employment status or working conditions of the employees.

36.03 Both parties recognize the overall advantages of technological change and will, therefore, encourage and promote technological change in the Council’s operations. Where technological change is to be implemented, the Council will seek ways and means of minimizing adverse effects on employees which might result from such changes.

36.04 The Council agrees to provide as much advance written notice as is practicable but, except in cases of emergency, not less than on hundred and twenty (120) days to the Institute of the introduction or implementation of technological change.

- (b) the anticipated date or dates on which the Council plans to effect change;
- (c) the location or locations involved.

36.06 As soon as reasonably practicable after notice is given under clause 36.04, the Council shall consult meaningfully with the Professional Institute concerning the effects of the technological change referred to in clause 36.04 on each group of employees. Such consultation will include but not necessarily be limited to the following:

- (d) the approximate number, classification and location of employees likely to be affected by the change;
- (e) the effect the change may be expected to have on working conditions or terms and conditions of employment on employees.

36.07 When, as a result of technological change, the Council determines that an employee requires new skills or knowledge in order to perform the duties of his or her substantive position, the Council will make every reasonable effort to provide the necessary training during the employee's working hours and at no cost to the employee.

Appendix “A” Archived Provisions for the Elimination of Severance Pay for Voluntary Separations (Resignation and Retirement)

This Appendix is to reproduce the historical provisions related to the payment in lieu of severance for the elimination of severance pay for voluntary separation (resignation and retirement) to reflect the agreed language in cases of deferred payment.

Effective May 1, 2014 clauses 31.08 and 31.09 are deleted from the collective agreement.

31.01 For the purpose of determining the amount of severance pay to which an employee is entitled under this Article the years of continuous service shall be reduced by any period of continuous service in respect of which the employee was already granted termination benefits such as severance pay, retiring leave, rehabilitation leave or a cash gratuity in lieu thereof by the Public Service, a federal crown corporation, the Canadian Armed Forces or the Royal Canadian Mounted Police. Under no circumstances shall the maximum severance pay provided under article 31 be pyramided.

31.02 For greater certainty, payments made pursuant to 31.14 to 31.17 or similar provisions in other collective agreements shall be considered as a termination benefit for the administration of this clause. This payment shall also be included in Workforce Adjustments (WFA) calculations with respect to the maximum total lay-off benefits to which a surplus employee is entitled under the NRC WFA Policy.

31.03 The weekly rate of pay referred to in this article shall be the weekly rate of pay to which the employee is entitled for his or her substantive classification on the date of the termination of employment.

31.04 Lay-off

In the event that the Council decides that lay-off of one or more employees is necessary, the parties agree to consult jointly prior to the implementation of lay-off procedures.

31.05 An employee who has one (1) year or more of continuous service and who is laid off is entitled to be paid severance pay at the time of lay-off.

31.06 Subject to clause 31.01, in the case of an employee who is laid off for the first (1st) time, the amount of severance pay for the first (1st) complete year of continuous service shall be two (2) weeks' pay, or three (3) weeks' pay for employees with ten (10) or more and less than twenty (20) years of continuous service, or four (4) weeks' pay for employees with twenty or more years of continuous service, plus one (1) week's pay for each additional complete year of continuous service, and in the case of a partial year of continuous service, one (1) week's pay multiplied by the number of days of continuous service divided by three hundred and sixtyfive (365).

31.07 Subject to clause 31.01, in the case of an employee who is laid off for a second (2nd) or subsequent time, the amount of severance pay shall be one (1) week's pay for each completed year of continuous service, and in the case of a partial year of continuous service, one (1) week's pay multiplied by the number of days of continuous service divided by three hundred and sixtyfive (365), less any period in respect of which the employee was granted severance pay under 31.06 above.

31.08 Resignation

Subject to clauses 31.01 and 31.09, an employee who has ten (10) or more years of continuous service is entitled to be paid on resignation from the Council severance pay equal to the amount obtained by multiplying half of the weekly rate of pay on effective date of resignation by the number of completed years of continuous service to a maximum of twenty-six (26) with a maximum benefit of thirteen (13) weeks' pay. Clause 31.08 shall not apply to an employee who resigns to accept employment in the Public Service or a federal crown corporation that accepts the transfer of leave credits.

31.09 Retirement

Subject to clause 31.01, on termination of employment:

- (a) an employee who is entitled to an immediate annuity under the *Public Service Superannuation Act*, or who is entitled to an immediate annual allowance under the *Public Service Superannuation Act*, or
- (b) a part-time employee, who regularly works more than twelve (12) but less than thirty (30) hours a week, and who, if he/she were a contributor under the *Public Service Superannuation Act*, would be entitled to an immediate annuity thereunder, or who would have been entitled to an immediate annual allowance if he/she were a contributor under the *Public Service Superannuation Act*,

shall be paid a severance payment in respect of the employee's complete period of continuous service, comprised of one (1) week's pay for each complete year of continuous service and, in the case of a partial year of continuous service, one (1) week's pay multiplied by the number of days of continuous service divided by three hundred and sixtyfive (365), to a maximum of thirty (30) weeks' pay:

31.10 Death

Subject to clause 31.01, regardless of any other benefit payable, if an employee dies, there shall be paid to the employee's estate, a severance payment in respect of the employee's complete period of continuous service, comprised of one (1) week's pay for each complete year of continuous service and, in the case of a partial year of continuous service, one (1) week's pay multiplied by the number of days of continuous service divided by three hundred and sixtyfive (365), to a maximum of thirty (30) weeks' pay.

31.13 Appointment to another Public Service Employer

An employee who resigns to accept an appointment with an organization listed in Schedule I, IV and V of the *Financial Administration Act* shall be paid all severance payments resulting from the application of 31.08 (prior to May 1, 2014) or 31.14 to 31.17 (commencing May 1, 2014).

31.14 Severance Termination

- (a) Subject to clause 31.01, indeterminate employees on May 1, 2014 shall be entitled to a severance payment equal to one (1) week's pay for each complete year of continuous employment and, in the case of a partial year of continuous employment, one (1) week's pay multiplied by the number of days of continuous employment divided by three hundred and sixtyfive (365), to a maximum of thirty (30) weeks.
- (b) Subject to clause 31.01, term employees on May 1, 2014 shall be entitled to a severance payment equal to one (1) week's pay for each complete year of continuous employment, to a maximum of thirty (30) weeks.

The amount to which an employee is entitled shall be paid, at the employee's discretion, either:

- (a) as a single payment at the rate of pay of the employee's substantive position as of May 1, 2014, or
- (b) as a single payment at the time of the employee's termination of employment from the Council, based on the rate of pay of the employee's substantive position at the date of termination of employment from the Council, or

- (b) The employee shall advise the Employer of the term of payment option selected within six (6) months from the official date of signing of the collective agreement.
- (c) The employee who opts for the option described in 31.15(c) must specify the number of complete weeks to be paid out pursuant to 31.15(a) and the remainder to be paid out pursuant to 31.15(b).

This clause applies in a situation where an employee is appointed into a position in the LS bargaining unit from a position outside the LS bargaining unit where, at the date of appointment, provisions similar to those in 31.08 and 31.09 are still in force, unless the appointment is only on an acting basis.

- (a) Subject to clause 31.01, on the date an indeterminate employee becomes subject to this Agreement after May 1, 2014, he or she shall be entitled to severance payment equal to one (1) week's pay for each complete year of continuous employment and, in the case of a partial year of continuous employment, one (1) week's pay multiplied by the number of days of continuous employment divided by three hundred and sixtyfive (365), to a maximum of thirty (30) weeks, based on the employee's rate of pay of his or her substantive position on the day preceding the appointment.

****Appendix “B” Memorandum of Agreement on Supporting Employee Wellness**

The parties recognize that this agreement is conditional upon the conclusion of a renewed Memorandum of Agreement (MOA) on Supporting Employee Wellness between Treasury Board and the Professional Institute of the Public Service of Canada.

Upon signature of a revised MOA, the parties agree to take the necessary steps to implement applicable changes that will result once an agreement is reached on the Employee Wellness Support Program (EWSP).

The parties agree to continue the current practice of working collaboratively to address concerns with respect to employee wellness and the reintegration of employees into the workforce after periods of leave due to illness or injury.

****Appendix “C” MEMORANDUM OF UNDERSTANDING BETWEEN THE NATIONAL RESEARCH COUNCIL CANADA AND THE PROFESSIONAL INSTITUTE OF THE PUBLIC SERVICE OF CANADA WITH RESPECT TO GENDER INCLUSIVE LANGUAGE**

This memorandum is to give effect to the agreement reached between the National Research of Canada and the Professional Institute of the Public Service of Canada regarding the review of language in the Library Sciences (LS) collective agreement.

Both parties are committed to and support gender neutrality and inclusivity. To that end, the parties commit to, during the life of the above noted collective agreements, establishing a Joint Committee to review the collective agreements to identify opportunities to render the language more gender inclusive. The parties agree that any changes in language will not result in changes in application, scope or value.

Both parties acknowledge that gender inclusivity is more difficult to achieve in the French language compared to the English language, but are committed nonetheless to further supporting and increasing gender neutrality and inclusivity in the collective agreement.

The Joint Committee agrees to begin their work in 2020 and will endeavour to finalize the review by December 2021. These timelines may be extended by mutual agreement.

****Appendix “D” MEMORANDUM OF UNDERSTANDING BETWEEN THE NATIONAL RESEARCH COUNCIL OF CANADA (NRC) AND THE PROFESSIONAL INSTITUTE OF THE PUBLIC SERVICE OF CANADA (PIPSC) WITH RESPECT TO WORKPLACE HARASSMENT**

This memorandum is to give effect to the agreement reached between the National Research Council Canada (NRC) and the Professional Institute of the Public Service of Canada (the Institute).

Both parties share the objective of creating healthy work environments that are free from harassment and violence. In the context of the passage of Bill C-65 *An Act to amend the Canada Labour Code* by the Government of Canada, as well as the Clerk of the Privy Council's initiative to take action to eliminate workplace harassment, the NRC will develop a new directive covering both harassment and violence situations.

During this process, the NRC will consult with the Institute on the following:

- mechanisms to guide and support employees through the harassment resolution process;
- redress for the detrimental impacts on an employee resulting from an incident of harassment; and
- ensuring that employees can report harassment without fear of reprisal.

The implementation and application of this directive do not fall within the purview of this MOU or the collective agreement.

This memorandum expires upon issuance of the new directive or (expiry of the collective agreement), whichever comes first.

****Appendix “E” MEMORANDUM OF UNDERSTANDING WITH respect to the implementation of the collective agreement**

Notwithstanding the provisions of clause 19.03 on the calculation of retroactive payments this memorandum is to give effect to the understanding reached between the Employer and the Professional Institute of the Public Service of Canada regarding a modified approach to the calculation and administration of retroactive payments for the current round of negotiations.

1. Calculation of retroactive payments

- a. *Retroactive calculations that determine amounts payable to employees for a retroactive period shall be made based on all transactions that have been entered into the pay system up to the date on which the historical salary records for the retroactive period are retrieved for the calculation of the retroactive payment.*
- b. *Retroactive amounts will be calculated by applying the relevant percentage increases indicated in the collective agreement rather than based on pay tables in agreement annexes. The value of the retroactive payment will differ from that calculated using the traditional approach, as no rounding will be applied. The payment of retroactive amount will not affect pension entitlements or contributions relative to previous methods, except in respect of the rounding differences.*
- c. *Elements of salary traditionally included in the calculation of retroactivity will continue to be included in the retroactive payment calculation and administration, and will maintain their pensionable status as applicable. The elements of salary included in the historical salary records and therefore included in the calculation of retroactivity include:*
 - *Substantive salary*
 - *Promotions*
 - *Deployments*
 - *Acting pay*
 - *Extra duty pay/Overtime*
 - *Additional hours worked*
 - *Maternity leave allowance*
 - *Parental leave allowance*
 - *Vacation leave and extra duty pay cash-out*
 - *Severance pay*
 - *Salary for the month of death*
 - *Transition Support Measure*
 - *Eligible allowances and supplemental salary depending on collective agreement*
- d. *The payment of retroactive amounts related to transactions that have not been entered in the pay system as of the date when the historical salary records are retrieved, such as acting pay, promotions, overtime and/or deployments, will not be considered in determining whether an agreement has been implemented.*
- e. *Any outstanding pay transactions will be processed once they are entered into the pay system and any retroactive payment from the collective agreement will be issued to impacted employees.*

2. Implementation

- a. *The effective dates for economic increases will be specified in the agreement. Other provisions of the collective agreement will be effective as follows:*
 - i. *All components of the agreement unrelated to pay administration will come into force on signature of agreement.*
 - ii. *Changes to existing compensation elements such as premiums, allowances, insurance premiums and coverage and changes to overtime rates will become effective within one-hundred and eighty (180) days after signature of agreement, on the date at which prospective elements of compensation increases will be implemented under 2(b)(i).*
 - iii. *Payment of premiums, allowances, insurance premiums and coverage and overtime rates in the collective agreement will continue to be paid until changes come in to force as stipulated in 2(a)(ii).*
- b. *Collective agreement will be implemented over the following timeframes:*
 - i. *The prospective elements of compensation increases (such as prospective salary rate changes and other compensation elements such as premiums, allowances, changes to overtime rates) will be implemented within one-hundred and eighty (180) days after signature of agreement where there is no need for manual intervention.*
 - ii. *Retroactive amounts payable to employees will be implemented within one-hundred and eighty (180) days after signature of the agreement where there is no need for manual intervention.*
 - iii. *Prospective compensation increases and retroactive amounts that require manual processing by compensation advisors will be implemented within five-hundred and sixty (560) days after signature of agreement. Manual intervention is generally required for employees on an extended period of leave without pay (e.g., maternity/parental leave), salary protected employees and those with transactions such as leave with income averaging, pre-retirement transition leave and employees paid below minimum, above maximum or in between steps. Manual intervention may also be required for specific accounts with complex salary history.*

3. Employee Recourse

- a. *An employee who is in the bargaining unit for all or part of the period between the first day of the collective agreement (i.e., the day after the expiry of the previous collective agreement) and the signature date of the collective agreement will be entitled to a non-pensionable amount of four hundred dollars (\$400) payable within one-hundred and eighty (180) days of signature, in recognition of extended implementation timeframes and the significant number of transactions that have not been entered in the pay system as of the date when the historical salary records are retrieved.*
- b. *Employees in the bargaining unit for whom the collective agreement is not implemented*

within one-hundred and eighty one (181) days after signature will be entitled to a fifty dollar (\$50) non-pensionable amount; these employees will be entitled to an additional fifty dollar (\$50) non-pensionable amount for every subsequent complete period of ninety (90) days their collective agreement is not implemented, to a total maximum of nine (9) payments. These amounts will be included in their final retroactive payment. For greater certainty, the total maximum amount payable under this paragraph is four hundred and fifty dollars (\$450).

- c. If an employee is eligible for compensation in respect of section 3 under more than one collective agreement, the following applies: the employee shall receive only one non-pensionable amount of four hundred dollars (\$400); for any period under 3(b), the employee may receive one fifty \$50 payment, to a maximum total payment of four hundred and fifty dollars (\$450).*
- d. Should the Treasury Board of Canada negotiate higher amounts for 3(a) or 3(b) with any other bargaining agent representing Core Public Administration employees, the National Research Council will compensate the Institute members for the difference in an administratively feasible manner.*
- e. Late implementation of the 2018 collective agreements will not create any entitlements pursuant to the Agreement between the CPA Bargaining Agents and the Treasury Board of Canada with regard to damages caused by the Phoenix Pay System.*
- f. Employees for whom collective agreement implementation requires manual intervention will be notified of the delay within one-hundred and eighty (180) days after signature of the agreement.*
- g. Employees will be provided a detailed breakdown of the retroactive payments received and may request that the departmental compensation unit or the Public Service Pay Centre verify the calculation of their retroactive payments, where they believe these amounts are incorrect. The Employer will consult with the Institute regarding the format of the detailed breakdown.*
- h. In such a circumstance, for employees in organizations serviced by the Pay Centre, they must first complete a Phoenix feedback form indicating what period they believe is missing from their pay.*

****Appendix “F” MEMORANDUM OF UNDERSTANDING Agreement with Respect to
Leave for Union Business – Cost Recovery
Library Sciences (LS) – exp. 1 July 2022**

This Memorandum of Understanding (MoU) is to give effect to an agreement reached between the National Research Council of Canada (the Employer) and the Professional Institute of the Public Service of Canada (the Institute) to implement a system of cost recovery for leave for union business.

The parties agree to this MoU as a direct result of current Phoenix pay system implementation concerns related to the administration of leave without pay for union business.

The MoU shall form part of the NRC – LS collective agreement expiring in 2022 at the date specified above.

- Leave granted to an employee under the following clauses of the collective agreement:
 - LS: 5.02, 5.10, 5.11, 5.13, 5.14 (a)

will be with pay for periods of up to three (3) months of continuous leave per fiscal year.

- It is agreed that leave with pay granted under the above-noted clauses for union business will be paid for by the Employer pursuant to the MoU, effective upon its signature.
- The Institute shall then reimburse the Employer for the actual gross salary paid for each person-day, in addition to which shall also be paid to the Employer by the Institute an amount equal to six percent (6%) of the actual gross salary paid for each person-day, which sum represents the Employer’s contribution for the benefits the employee acquired at work during the period of approved leave with pay pursuant to this MoU.
- On a bi-monthly basis, and within 120 days of the end of the relevant period of leave, the hiring Department/Agency will invoice the Institute for the amount owed to them by virtue of this understanding. The amount of the gross salaries and the number of days of leave taken for each employee will be included in the statement.
- The Institute agrees to reimburse the Department/Agency for the invoice within sixty (60) days of the date of the invoice.
