A Message from the Mayor

On behalf of my colleagues on City Council, I want to extend my best wishes to the Professional Institute of the Public Service of Canada (PIPSC) for your 100th anniversary celebration.

The Professional Institute of the Public Service of Canada (PIPSC) was founded in 1920 in Ottawa. With over 60,000 members, the Institute is the largest union in Canada representing scientists and professionals employed at the federal and some provincial and territorial levels of government.

As someone who not only taught public policy, but also relied on the professionalism and commitment of your members while I served in Parliament, I know first-hand how important a robust and independent public service is to the strength of our institutions.

Today, in these uncertain times when these institutions are under ever more pressure, it is more important than ever to recognize and celebrate the role PIPSC members play. Thank you for all your membership has done for our country, and I hope everyone has a wonderful anniversary celebration!

Sincerely,

A handwritten signature in black ink that reads "E C Kennedy Stewart". The signature is fluid and cursive.
