

Fellow members of the Halifax Branch,

While in-person union activities are still suspended because of the pandemic, there hasn't been any slowdown in our work and we continue to take every opportunity to defend your interests.

To keep you informed on where we stand on mental health, working from home and returning to work, we would like to invite you to an online discussion with President Debi Daviau on May 26, 2021 at 12:00 – 1:00 pm (AST).

This is an excellent opportunity to get the latest PIPSC news directly from the President and to ask her any questions you may have on these and other issues.

We look forward to seeing you there!

In Solidarity,
